## Blackboardconnect™

There is no competition.  
**Blackboard Connect** has been just  
a life saver for us.

**ANN STEPHENS-CHERRY**

**Blackboard Connect 5** has really worked  
out well for us because everything is  
there on one single page.

**KRISTINE LIPROT**

The thing that always brings us back to  
Blackboard is the customer service.  
Sometimes, you get what you pay for  
and **Blackboard Connect** is worth it.

**ZAC RANTZ**  
Director of Communications, Nixa Public Schools

I know **Blackboard Connect** has been a  
good partner. They're not just a vendor,  
they're a partner.

**WAYDE BYARD**  
Public Information Officer, Loudoun County Public Schools

I've heard nothing but great responses  
from our parents.

**AMY NUNNALLY**  
Public Information Officer, Burke County Public Schools

As the public relations officer and chief  
communications officer for our school  
district, I cannot imagine doing my job  
without **Connect 5**.

**KEVIN CHRISTIAN, APR**  
Public Relations Officer, Marion County Public Schools

Every year when we look at budget, we ask the  
parents and the PTA if they want us to renew  
the system and the answer is always 'yes.' The  
parents tell me because we're using this system  
that they actually have more communication  
with teachers."

**DAN DIEHL**  
Principal, Bedichek Middle School

As a large school system, the thing that  
makes **Blackboard Connect 5** stand out  
for us is the speed with which messages  
are delivered.

**TERRI SESSOMS**  
Public Information Officer, Johnston County Schools

Second to none, that's why I keep coming  
back to **Blackboard Connect**. Their product  
and service, second to none.
